Re: Chambliss for Senate 30-Day Post-General Report (10/17/02 – 11/25/02)

Dear Mr. Whyrick:

This letter is in response to your letter of January 14, 2002 regarding the 30-Day Post-General Chambliss for Senate FEC report. I have included an amended report and have addressed each of your inquiries separately below:

- 1) Attached please find amended Summary and Detailed Summary Page information with correct Column B figures.
- 2) The discrepancy in the aggregate election cycle-to-date totals has been rectified through the amendment explained above in section 1.
- 3) Please find the contribution made by Upson Regional Physicians on October 21, 2002 for \$1,000 included in the attached report. This contribution was in the database and should have appeared in the original report.
- 4) Please find the correct ending cash balance of ? in the attached report. The incorrect negative ending balance was due to a data entry error. The attached amended report reflects all of the contributions made during the reporting period.
- 5) Please find supplement and amended identification information of individuals in Schedule A pages of the attached report. Some of the information was in the computer but was entered into the wrong field. Other information was found through phone calls and e-mails. There are several contributors for which we do not have an address and we have exhausted all efforts to attain the information.
- 6) Please find the complete information, purpose and address, for all disbursements in the Schedule B pages of the attached report.
